PROGRAM POLICIES

Americans with Disabilities Act

Special Opportunities Available in Recreation (SOAR) will comply with the Americans with Disabilities Act (ADA), which prohibits discrimination in the provision of services, programs, or facilities to individuals with disabilities. SOAR will make reasonable accommodations in recreation programs to enable participation by an individual with a disability who meets essential eligibility requirements for that program. The ADA requires that recreation programs offered by SOAR be available in the most integrated setting appropriate for each individual. Call (309) 434-2260 if you have any questions about the SOAR policy regarding the ADA or believe you have been unfairly discriminated against by SOAR.

Code of Conduct

Participants, staff, volunteers, and parents are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make SOAR programs safe and enjoyable for everyone. Additional rules may be developed for particular programs and events as deemed necessary by the staff.

- Show respect to all participants, staff, and public.
- Show respect to equipment, supplies, and facilities.
- Listen to and comply with staff direction and program rules.
- Refrain from using foul language.
- Refrain from causing bodily harm or aggressive physical contact.
- Arrive to programs displaying proper hygiene and body odor.
- Wear appropriate attire for program participation.

Equal Access

No participant shall on the basis of race, gender, creed, national origin, or disability be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage or opportunity.

Discipline

SOAR applies a caring, positive approach to discipline. When Code of Conduct expectations are not met, staff will attempt reasonable accommodations to minimize future risks and help the participant to meet behavior expectations. However, when accommodations are attempted and are unsuccessful, or when unsafe or otherwise inappropriate behavior occurs, SOAR reserves the right to dismiss a participant whose behavior continues to be unsafe or otherwise inappropriate or whose behavior endangers the safety of themselves or others.

Toileting

Participants are expected to handle their toileting needs independently and without assistance from SOAR staff.

Insurance

Individual accident and medical insurance for program participants is not provided by SOAR, Bloomington or Normal Parks and Recreation Departments.

Staff Ratio

SOAR currently staffs most programs with one staff to every four participants. If a participant needs more assistance or is unable to participate with this structure, please let staff know at registration so appropriate staffing may be secured (if possible).

Photo/Video Policy

SOAR staff takes photos and video of participants enrolled in our programs, classes, or at events. These photos or videos may be used in our brochures, social media, advertising, or other publications. If you do not wish to have your photo taken or be in a video, please contact a SOAR Program Manager.

Medication Dispensing

SOAR staff may dispense medication to participants during extended programs and trips. In order for SOAR staff to do this, a parent/guardian will need to complete a medication dispensing form and complete a dispensing procedure each time medication is needed. SOAR staff may not perform an injection or any other medical or physically invasive procedure. Please call the SOAR office at (309) 434-2260 if you have any questions.

Parent/Caretaker Observation

We greatly value parents and guardians, and with your loved ones' best interests in mind, we kindly ask that you refrain from staying during the programs. Our staff is always happy to discuss your loved ones' progress with you at any time outside of program hours. Thank you for your understanding and cooperation.

Participation

Participants should be willing to participate in the scheduled activities voluntarily. SOAR staff encourage and aid, but do not force participation.

Participant Supervision

If a participant has not been picked up at the scheduled program end time, the parent/guardian/group home staff will be contacted. After a fifteen-minute wait period, emergency contacts will be called. Please be mindful of end times, many times SOAR staff have additional work and responsibilities after the program and sometimes have another program to lead.

Program Cancellations

A program may be canceled if the program minimum enrollment is not met. Programs may be canceled due to inclement weather or other emergencies. SOAR will either reschedule the program or issue a prorated credit to the participant's account. If a participant cannot attend a program, they cannot send a substitute in their place. **SOAR Hotline: (309) 434-2386.**
