# General Information

**Mission Statement:** Our mission is to enrich the quality of life for our community through parks and recreation.

**Vision:** Our vision is to provide for now and future generations a sense of community, preserved green space, diverse programs, excellent customer service, and life-changing experiences.

**We Love Parents But:** With your child's best interest in mind, parents are asked to not be in the classroom during programs. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

**Behavior Policy:** Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make the Recreation Department safe and enjoyable for all participants. Participants shall: 1) show respect to all participants and staff; 2) refrain from using foul language; 3) refrain from causing bodily harm to another participant or staff; and 4) show respect for equipment, supplies and facilities. If participants are not able to exhibit appropriate behavior, or are distracting the instructor, they may be asked to leave the program.

**Toilet Training Policy:** Children enrolled in a Bloomington Parks & Recreation program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

**Americans with Disabilities Act:** We comply with the Americans with Disabilities Act (ADA), which prohibits discrimination on the basis of disability. We will make reasonable accommodations for individuals with disabilities who meet essential eligibility requirements for the desired program. Individuals with disabilities are encouraged to contact us at (309) 434-2260 regarding special accommodations needed for enjoyment of programs. Those who use telecommunications for the deaf (TTY) may reach the Recreation Department by calling our TTY number (309) 829-5115.

**Sincere Appreciation:** A great big "thank you" goes to the District 87, Unit 5, and Central Catholic High Schools for the use of school facilities. The extra time and energy from secretaries, custodians, teachers, and principals is greatly appreciated.

All Winter/Spring swim lesson programming will be located at Bloomington High School Pool (BHS).

## Junior Zookeepers

**Grades 5+ • March 3rd, 4th and 5th**

The Junior Zookeeper program is for young people who want to learn more about wildlife and how a zoo works. JZKs begin by attending a one-week educational summer camp and can eventually become volunteers at Miller Park Zoo! **Students currently in 5<sup>th</sup> grade or higher are eligible to begin this summer.**

Space in the program is limited, so all interested students and their parent/guardian must attend one informational meeting in order to receive application materials.

Meetings will be held at the Miller Park Pavilion on March 3, 4, and 5, from 6:30-7:30PM.

Choose the meeting date that fits your schedule; no reservation is required.

Doors will close and no one may enter after 6:35PM.

Contact Julia Benzel at [jbenzel@cityblm.org](mailto:jbenzel@cityblm.org) or call (309) 434-2256 with questions.

Please visit [MillerParkZoo.org](http://MillerParkZoo.org) for more information.

This is an opportunity to meet three of the zoo's residents while learning about their natural history and daily life at the zoo. Students will see the animals at close range and have the opportunity for hands-on interaction. We can focus on a particular theme or simply have a "show & tell". Programs last 45-60 minutes for 1st-12th graders, after which you'll visit the zoo at your own pace. (Preschool-Kindergarten programs last 30-45 minutes). The fee for a program at the zoo is \$9.00 per person for students and adult chaperones. \$150 minimum.

### **ZooToYou!**

***Let us bring our animals to YOUR classroom!***

We can bring our animal encounter program to you! Choose a topic that fits your curriculum or we can just "show and tell"! Maximum group size is 40 students per program, but individual accommodations can be made depending on location. Also available to community groups, senior facilities, and libraries in McLean and adjacent counties. ZooToYou prices vary and are dependent upon facility location. Contact Julia for prices, information, and reservations at [jbenzel@cityblm.org](mailto:jbenzel@cityblm.org) or (309) 434-2256.

## Tree Services

### Tree Trimming

Trees are trimmed for pedestrian and traffic clearance as well as selective thinning of branches, removal of dead wood, or storm damage repair. Trees are not topped, unless deemed necessary by the City Forester or a member of the staff.

At the Parks and Recreation Department, we have established a goal to increase the quality of trees within our City parkways and parks. The Department is governed by guidelines set within our Forestry Ordinance, Chapter 19, Number 1984. This ordinance permits the Parks & Recreation Department to plant, trim, spray, preserve, and remove any tree on City property to insure public safety or to maintain the health of the tree.

The ordinance also requires that anyone wishing to plant or have work done to a tree on City property, by someone other than our forestry staff, secure a permit from the Parks & Recreation Department first. Please call (309) 434-2280 with any questions.

### Tree City USA

The City of Bloomington is a designated Tree City USA - a program sponsored by the National Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters. To become a Tree City USA, a community must meet four standards: a tree board or department, a city tree ordinance, a comprehensive community forestry program, and an Arbor Day observance. Bloomington's staff of certified arborists and trained professionals enhance the Tree City USA designation.
