Temporary Access Changes to Police Department Parking Deck Due to Construction

Bloomington, IL - On Monday, January 12, and Tuesday, January 13, a contractor will be performing repairs to the top level of the Bloomington Police Department parking deck. This work will include the use of a crane placed in the parking lot to remove existing concrete beam panels and install new steel beam replacements. During these two days, the Police Department parking deck and affected areas will be inaccessible to vehicles.

To ensure continued access:

- A clearly marked, safe pedestrian pathway (highlighted in yellow in *Image 1* below) will be designated to guide the public and staff to the front entrance of the Police Department.
- Members of the public may be dropped off at the drive entry and follow the designated pedestrian route to the front door.

Alternative parking:

- The Library has allowed use of its lower-level parking deck (outlined in orange in *Image 2* below) for visitors during these two days.

We appreciate the public's patience and cooperation as these necessary repairs are completed to improve the safety and functionality of the parking structure.
